

## Pray as You Walk

- Praise the Lord for the **2060 babies** who were saved from abortion and the **408 women** who received Christ as their Savior across the CompassCare network in 2024.
- Pray that the number of women and babies saved from abortion through CompassCare would be **doubled in 2025**—6000 women served.
- Pray for CompassCare's efforts to compete head-on with the billion-dollar abortion empire through TeleCare—cutting the time it takes for a woman to be served by a pro-life nurse from **24 hours to 24 seconds**.
- Pray for **successful expansion into NYC**. Praise God for **medical offices in Brooklyn and The Bronx opening** this past March and pray for the patients and teams in NYC.
- Pray for the **CompassCare in-person and TeleCare nurses** who faithfully serve women seriously considering abortion every day.
- Pray that **all abortionists** would go out of business and come to know the Lord.
